mhall4@wcpss.net

Specials for the Next Week:

Monday	Spanish
Tuesday	Media
Wednesday	Music
Thursday	PE
Friday	Art

Please remember to send in a change of clothes for your child to leave at school and a towel for rest.

Please remember to wait until after September 5th to come and have lunch with your child. Thanks!

Don't forget to come in and register to be a volunteer. I will be checking all volunteers in the office to make sure you are on the "cleared" list before you can help out. Thanks!

Please initial and leave the **World Sheet in your child's folder!**

This Week's Share

Bring in any small item that you would like to share!

Please check your child's folder for this week's homework. Please complete during the week. All homework will be collected on Friday. In addition to the homework sheet, we ask that you read nightly with your child for at least 5 minutes. Please sign the reading log, and have your child sign his/her first name as well. This will also be collected on Fridays.

*Monday, September 5th holiday; no school

*Early Release Friday, September 9, 1:15. We will eat lunch at school.

*Friday, September 30—Last day/Track out/Early Release, 1:15. We will eat lunch at school.

Our theme for this week is Nursery Rhymes

We will be learning, reciting and singing various nursery rhymes this week. We will also be listening to and reenacting great stories like "The 3 Little Pigs"

We will also be quickly reviewing recognizing the letters of the alphabet and singing a fun song to help us learn our color words. You probably won't be see-

ing many activities come home the next couple of weeks as we learn about expectations and procedures.

All About Literacy....

on this later after we set up Daily 5 in our room!

Reading Focus: what we are working on in reading for the week.

Phonemic Focus: what phonics skills we will be focusing on for the week.

Word Work

5 centers where we practice what we are learning in reading and phonics. More to come

Daily 5 Goal:

Students will be able to independently read to self, read to a friend, or listen to stories, practicing their learned reading skills, while the teachers instruct students on their independent, instructional reading level.

Math

This week we will be recognizing, and sequencing numbers to 10. We will also begin talking about “scenes” and things that come in groups of one (like our nose... a tree....a bench....etc.). We will work in our math tubs and learn the routines and procedures to follow during Math time.

Star Student of the Week: Mrs. Hall

Mrs. Hall is a funny little kindergarten friend. She is 29 (again!) years old. Her birthday is December 29. Her favorite color is pink and her favorite food is popcorn. Her favorite thing to do is sew. The people in her family are her husband Steven and 4

children, Christiana 20, Anthony 18, Palmer 18, and Austin 16. Mrs. Hall likes to relax with her family or play with her little Yorkie named Bella! When she grows up Mrs. Hall wants to be a teacher. We are so glad Mrs. Hall is one of our kindergarten friends!
