Writing

This week we will continue our unit of writing like a scientist by learning

about and writing all about pumpkins.

All About Literacy....

Reading Focus: This week we will be listening to and answering questions about the four season stories.

Phonemic Focus: This week we will continue counting the syllables in words, and putting syllables together to make words.

Word Work

*Practice writing the letter Mm.

*Coloring Munching Mike and finding all of the letter Mm's in our songbook.

*Identifying the sight word "and".

*Creating a pocket art of Munching Mike and words that begin with the letter Mm.

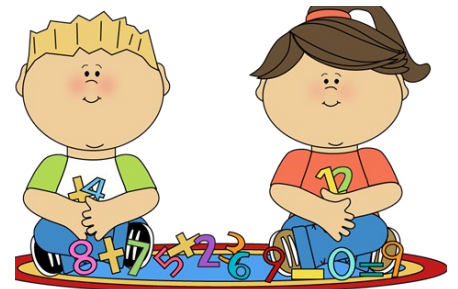

*Practice reading sight words.

Daily 5 Goal:

Students will be able to independently read to self, read to a friend, or listen to stories, practicing their learned reading skills, while the teachers instruct students on their independent, instructional reading level.

Math

This week we will be completing some fun activities to help us be able to count out amounts to 20. We will be counting out bats, and spiders, and mice, and cubes, and ice crystals, and so much more! We will be using a frog to hop up and down the number line using the terms "more and less", and so much more!!!

Star Student of the Week: Finnian Jones

Finn is such a fantastic friend! He is 5 years old and his birthday is March 6th. His favorite colors are green, blue, pink, and purple. His favorite food is cream-of-wheat, and his favorite thing to do is go to the water park. The people in Finn's family are his

mommy, popam, dog Stella and cat Tio chandler. His favorite thing to do with them are to go to baseball games and ride his bike at the Neuse River. When he grows up, Finn wants to be Wild Kratt and save animals. We love our Finn!
